

WE SHARE THE LOVE OF GOD

Michael R. Totten, 1986

Steadfast, Hanover, 1646; arr. J. S. Bach

- 1 We share the love of God, made known through His A - noint-ed.
- 2 We share the love of God, af - firmed by saints now rest - ing.
- 3 We share the love of God, pre - sent - ed at His al - tar.
- 4 We share the love of God; we send it to each na - tion.

The rul - er of the world for ser - vice was ap - point-ed:
He led them by His word through ev - 'ry trial and test - ing.
He serves a heav'n-ly meal that weak souls might not fal - ter.
We of - fer them a place in Je - sus' new cre - a - tion.

a sac - ri - fice for sin to cleanse us from each stain,
No hu - man craft or pow'r could snatch them from His hand.
Though seat - ed in the skies, in us His bod - y grows;
God grant our work suc - cess, but should we be ig - nored,

and make us fit to join in His e - ter - nal reign.
Their on - ly goal: to make up - on His rock their stand.
as once up - on the cross, in us His blood now flows.
God grant we ne - ver lose the joy of life re - stored!
